

# Lowering scaling minutes

- Appointment is 60 min long with only scaling, no other services required
- In applicable services, add the “other” then increase the minutes, this will cause scaling minutes to decrease
- In second pic, you see 20 min in the “other”, this means appt was too long by 20 min

Appointment Plan			
Code	Service	Minutes	Charge
	Review client chart to prepare for procedure	3	
	Review client chart and gain consent	2	
	Check blood pressure	2	
11114 11117	Scale ⓘ	47	\$294
